## NOTIFICATION

### **Subject: Restructuring of Englishers LLL International**

It is hereby notified that *Englishers LLL International*, a sub-branch of *IKSAD International Türkiye*, was established on January 21, 2021. During this period, the organization has successfully expanded its presence to more than 30 countries worldwide. The management extends its sincere appreciation to all members and office bearers for their outstanding commitment, service, and contributions to the academic and professional growth of the organization.

In view of the forthcoming organizational restructuring, it is hereby decided that all current office bearers shall complete their tenures, and their contracts will be renewed after the next IKSAD Board meeting. Furthermore, all committees and existing structural bodies of *Englishers LLL International* shall be formally disbanded with effect from 21st January 2026. The President of Englishers LLL International will also complete the tenure on the aforementioned date.

We take this opportunity to express our profound gratitude to all members for their continued dedication and invaluable support. Details regarding the new organizational structure and future initiatives will be announced in due course.
